STUDY FINDS THAT SORORITIES AND FRATERNITIES ACCOUNT FOR MOST OF THE RACISM AND SEXISM IN AMERICA

Perfectly symmetrical faces, fake orange spray tans and germanic Aryan looks get you in to the ideal greek brainwashing frat or sorority house.

Why does the world not ban these evil places?

[Sorority Super Bowl' is back! TikTok goes gaga over University of Alabama's INSANE Greek rush process as hundreds of girls compete for entry into 17 wildly-elitist white douche clubs](#)

University of Alabama students are taking over TikTok with #BamaRush documenting the girls desperately trying to get into one of the sororities. Last year, the recruitment process blew up on TikTok after budding sorority girls showed everything having to do with rush week. Although the official recruitment date is August 6th, potential sorority members have already taken over TikTok, prompting many to tune in for 'season two'. Students have already begun packing their 'rush bags' in preparation for the long days ahead and many have shared their essentials in their pink totes. Despite the Panhellenic culture being rooted in classism and racism, many can't help but to tune in for season two and get hooked on their favorite air head idiot wannabes.

STANFORD UNIVERSITY HAS A CULTURE OF CORRUPTION AND TEACHES THAT WARPED THINKING TO STUDENTS

Corrupt political families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

Shoshana Zuboff's, The Age of Surveillance Capitalism - Why Twitter, Google, Facebook, Instagram, YouTube, Alphabet are the SAME Thing, The SAME SICKO tech elites and the same kinds of social privacy RAPE against citizens!

Stanford University builds corporate criminals, sex traffickers, sociopaths and elitist narcissists. It trains naive children to grow up to become adult stains on society!

--- In California, elite arrogant asshole dynasties send their kids to Stanford University. Stanford puts the kids in asshole frat houses to train them to get away with rape and run

monopolies.

---- The problems at Stanford University include:

---- Rape cover-ups by frats from rich families

---- Epic racism

---- Inter-Staff sex scandals that make the whole campus look like A Caligula party

---- Dynastic families control the whole campus

---- Arab, Iranian and Chinese oligarchs pay bribes to get their kids in

---- The CIA is always recruiting everyone and the most notorious spy project: STARGATE, happened at Stanford

---- The Russian, Iranian and Chinese spy agencies have placed a huge number of spies on the campus as 'pretend students' and pretend teachers

---- Elitism is rampant

---- The Silicon Valley venture capitalists, up the hill on Sand Hill Road, get all their interns from Stanford and they date rape the hot ones with Ruffies, Scopalomine, and other amnesia drugs. The interns wake up with sore butts and can't remember why.

---- To afford the fees, the girl students work as hookers at the Rosewood Hotel.

---- The entire school is funded by bribery. ----Arrogance is the attitude of choice at Stanford.

---- 99% of the guys that went to Stanford execute 99% of the corporate corruption crimes in the world. -

---- Girls at Stanford, that can't afford tuition, become Match.com hookers. Everyone in the bay area knows that if a Match.com profile has the words: "STUDENT" and "GENEROUS" anywhere in the text, that the girls are offering sex-for-tuition. Send your hot daughter to Stanford and turn them into hookers. Match.com even has sex agents, on campus, that get a commission for getting girls to join Match.com.

---- Rape is OK at Stanford as long as your daddy is rich or owns part of the Middle East. The Stanford deans and regents say: "Boys Will Be Boys".

---- Stanford provides buses that transport the sorority girls to the frat houses to get date raped and then back to the sorority houses drunk out of their minds or doped up on Ruffies and Scopalmine.

---- There have been a number of strange murders and suicides at Stanford.

---- Stanford students are prescribed the highest number of mental health medications of any campus in America.

---- All of the land on the Stanford Campus could solve all of Silicon Valley's housing crisis. The State of California should take all the land away from criminally corrupt Stanford University and build housing for average income on it. Stanford University doesn't "deserve" anything any more.

---- Chinese girls are sent to Stanford, by Chinese 'Wife Mills' to bag an Anglo husband and then divorce him 1 year after he hits paydirt. They are instructed to have 2 kids so the alimony upside is high. They pay a % of the money back to China.

---- Trophy wives were invented at Stanford

---- The Guardsman, The Key Club and over 50 "Final Clubs" brain-wash students into elitism and tribal exclusion of all but your fellow 'club members' from your ethnic group.

---- Most of the oligarch families paying bribes to Stanford are engaged in the most brutal human rights violations in history. They murder people and have them cut up with a hacksaw. They run prison camps. Only an idiot would think that modern day Stanford has any remaining 'prestige' or 'credibility'. This isn't the 1800's any more. Shut this crap campus down!

---- When they graduate they either go up the hill to Sandhill Road and start a venture capital clone operation or they get their frat friends on Sandhill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds. They only work with their frat buddies and insiders in a tribal 'old boys club' manner.

---- They steal all the technology and markets they want because they control all of the tech lawyers and politicians via bribes and revolving doors.

---- Most of the money in Stanford University bank accounts is from Foreign and Hollywood oligarchs delivered as bribes meant to get their snot-nosed brats into Stanford. Stanford bosses keep all of this covered-up and covertly fund political campaigns to grease the wheels of political corruption.

---- They then sexually extort some Stanford interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, and start the cycle all over again. Alas, Stanford is the training ground for abuse, corruption and 'Bro-Crime'.

---- The issues, that the public and the news media have complained about include: producing child suicides, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery and many other social crimes! An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking.

---- The Silicon Valley Tech Cartel is one of the largest operators of bribes to public officials. Some of those bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in;

---- The hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

Beyond being highly addictive, last year's season highlighted the exclusivity surrounding Greek lie, which is heavily rooted in racism, classism and sexism.

The majority of both active and PNMs on Bama Rush TikTok appeared to look practically identical - all white women with blonde locks and fake tans, which is unsurprising considering Alabama only desegregated their sororities nine years ago.

In 2013 Black students complained about the racism and discrimination in Greek life, and University officials ordered the sororities to end segregation after [The Crimson White](#) reported on the allegations that Black students were blocked from joining the all-white chapters.

Despite the segregation officially ending in 2013, things don't seem to have gotten much better.

According to the [The Crimson White](#), University of Alabama sororities were about 89 per cent white in 2021, down only five per cent from 2011.

To help fight allegations of racism, the [University](#) is now reportedly requiring chapter members to complete diversity training in preparation for rush week.

And although a few need-based scholarships are provided, the organization further shows their classism foundation through steep financial obligations.

In addition to rush week essentials PNMs splurge on, the average cost of fees for new member is \$4,170 per semester, according to University [data](#).

And the outrageous cost of being a sorority member at Bama just gets higher, chapter and meals fees for active members who live in the house total around \$7,465 per semester.

However, the flawed system doesn't stop the world from tuning in to season two and getting hooked on whether or not their favorite 'character' received a bid from their dream home.

Nothing but a \$\$\$\$popularity contest\$\$\$.

The part I hate is that girls who don't make it are crushed. There are so few places at Alabama and so many more girls competing for one. And don't get me started on fraternities. The amount of alcohol allowed at the on-campus fraternity houses is endless, massive quantities and the school officials wink and nod and look the other way.

People that pay for friends are pathetic

They look like recycled Barbies

The most asked question is "why does my head whistle when I walk?"

I wanna go to college for the rest of my life Sip bankers club and drink miller lite On thirsty Thursday and Tuesday night ice And I can get pizza a dollar a slice...

Sororities & Fraternities are bad for college students. The hazing, excessive drugs & alcohol that goes on there is terrible. Join clubs or intramural sports if you want to make new friends. Don't put yourself thru that abuse, it's not worth it.

Idiot people who pay thousands to go to college for the "experience" instead of an education.
