

The Attack

Fri, 11 Sep 2015 17:00:00, newstips66, [post_tag: applicants, post_tag: auto-safety-rules, post_tag: best-value-vehicles-and-systems, post_tag: engineering-and-deployment-services, post_tag: for-the-longest-range, post_tag: top-design, post_tag: ultra-light-vehicles, post_tag: ultra-light-vehicles-group, post_tag: ultra-light-weight-vehicles, category: worldnews, post_tag: xpv]

By now, you probably saw the news about the two campaign financiers who sabotaged our last project. [Don't worry, the FBI and the U.S. Congress are on their back-sides like bees on honey.](#) Their competing stuff didn't work, blew up, and was insanely expensive.

Hopefully they learned their lesson.

Onward and upward!

:)
