From the people who brought you the ObamaCare network disaster comes: TA Daaa "THE GREATEST NETWORK BREACH IN HUMAN HISTORY!"

ALL OF WASHINGTON appears to have been hacked by the Chinese, for years, and now they have posted all of the passwords and logins, so any hacker can do it, too!

Prepare for the true HACK-POCALYPSE!

Why didn't they fire those network idiots when they had the chance?

Here is why: Because those network idiots had contracting kick-back deals with the Senators and agency contracting heads that hired them!

The Chinese hackers have now hacked all of the top Washington, DC agencies and posted the passwords to the WORLD!
