

NANCY PELOSI SABOTAGED OVER 80 OF HER CONSTITUENT'S BUSINESSES BECAUSE THEY COMPETED WITH HER STOCK HOLDINGS AND HER FINANCIERS BUSINESSES

By Martha Wright and Andrew Brown

After hundreds of phone calls, certified letters, meetings and GAO complaints, you would think that Nancy Pelosi, Melanie Nutter and their policy wonks would have, at least, made a feigned attempt to look like they were doing something.

They were so arrogant that they never even tried to look responsive.

They believed that they owned the FBI, The Energy Department, Eric Holder and his DOJ and that their control of Google, Facebook and Twitter could delete any news revelations about their corruption from the media stage. They were wrong.

Nancy had her investment bankers run scams that involved sabotaging and "Fusion GPS-ing" her own district constituents.

For a quick overview of the case, now referred to FBI and Congressional investigators as prosecution requests, you can go to the CBS News 60 Minutes website on-line and watch the following three 60 Minutes episodes that are over-views of the case:

1. "The Cleantech Crash"

2. "The Lobbyists Playbook"

3. "Congress Trading On Insider Information"

Meet Pelosi puppet Miguel Guerrero. A recent leaked letter to him gets into the details of the war:

"Miguel.Guerrero@mail.house.gov

Miguel:

*Your office has invited us to the press and public meeting
Wednesday, April 04, 2018 at 1:00 p.m regarding federal grants.*

As your local constituents, your office had previously invited us to participate in some federal grants and we ran in to trouble when FBI and GAO investigations revealed directly to our staff that those grants were hard-wired for crony kick-backs.

*To overcome a repeat of that **as-yet-unresolved incident**. We have established a policy support system which is the largest of it's kind in the world. We have created a digital oversight system which exceeds that of Palantir, Taleo or any other public oversight system technology by many magnitudes. Our technology connects to over 300 million U.S. voters and almost every major and mainstream news outlet (From Voat to Reddit To Drudge To NYT to WSJ, etc.).*

We can now warrant and certify that any stonewalling or failure-to-respond to a constituent request will be exposed to every significant party in the world within 2 weeks, or less. We are now sharing this technology with every federal grant applicant from today forward. We look forward to advising the attendees.

Additionally, **Miguel**, Jeff Sessions office informs us that Ms. Pelosi is responsible for resolving our outstanding complaint regarding the Solyndra and Department of Energy damages. How will **you** be assisting in helping us resolve that matter.

If you fail to respond, as your office has done per our certified letters for a number of years, we will personally sue you and you will experience the career downsides (in a 100% legal manner) that Eric Holder, Steven Chu, Robert Gibbs, Lachlan Seward, Mccabe and over 120 other federal big shots are suffering for the rest of their lives. As you know, every person that we, Judicial Watch, COA, Peter Thiel, etc... sues is a "goner"!

We have the eyes and ears of the new FBI, The GAO and the Trey Gowdy's of the world. We now write FBI 302 forms for investigations. Go ask Christopher Wray about our public resources. Half the FBI (the non corrupt part) are our new best buddies.

We worked alongside you and your staff and then you lied to us and participated in organized crime insider trading schemes with the 'Cleantech Cash'.

You are going to resolve this matter and pay for our damages from the attacks on us or this will never end in your lifetime. We have generations of voters and millions of pages of documents and "dead man" switches.

Miguel -

- Do not ignore this communication!**
- Do not stone-wall and fail to reply!**
- Do not pass this along to someone else that you hope will blow**

it off for you!

- Do not activate your In-Q-Tel, Fusion GPS, Gawker Media, etc... dirty tricks teams again!

- You can CC: as many people as you want on your reply (we are BCC:ing half of DC) but YOU are responsible for replying!

Not responding is NOT an option for you. We swear, warrant and certify this in a 100% legal manner. The entire voting population now knows how to 100% legally Dox any public employee.

There are vast numbers of pages of lawsuit filings you can read on Pacer.gov from the comfort of your couch. There are over 22 million pages of news reports and TV news segments under the keyword search phrases: "Solyndra corruption", "Uranium1 Corruption", "Steven Chu Corruption", "Cleantech Crash Corruption", "Crony corruption", etc. The facts are indisputable and more voluminously documented than almost any other corruption matter in history. You will be laughed into oblivion if you dare try to reply with a lame "we don't know what this is about" sham.

You can resolve this today with a few emails and get our damages paid for, or you can know that the shockers that will be revealed for the 2018 elections will all be known as the "Miguel Guerrero Revelations".

How do you want to play this?

We have proven, since 2009, that everything we say is going to happen has happened. Our task force has a 100% success rate and the resources of the finest voter-based investigators and federal cops.

You have 24 hours to respond with a productive, non-BS, response to settle our claims or this and other documents will be released to the world.

Best

Robert"

How did it get to this?

Nancy is a DNC mobster boss and is beholden to DNC mobster financiers and her hundred million dollar bank accounts.

One example is showcased by her dog-like devotion to DNC financier Elon Musk. Musk conduits cash to Pelosi and the DNC through complex layered finance schemes that are nothing more than BRIBE PAYMENTS.

Is Nancy a "bad girl"? Type the search phrase: "*Nancy Pelosi's Corruption*" into the top 6 non-Google search engines and read the results. Oh My God!

Is Elon Musk a "bad boy"? Type the search phrase: "*Elon Musk Crony Corruption*" into the top 6 non-Google search engines and read the results. Oh My God, again! Additionally, blog postings around the world capsulize his corruption in forms such as the following:

"THESE ARE THE FACTS THAT TESLA MOTORS AND ELON MUSK WILL DO ANYTHING (EVEN THE MOST HORRIBLE THINGS YOU CAN IMAGINE) TO COVER UP:

Elon Musk's Lithium ion batteries: Cause wars in the Congo, Afghanistan and Bolivia; are owned by ex-CIA bosses; mutate

fetuses when they burn; destroy your brain, lungs and nervous system when they burn; kill the factory workers who make them; cause Panasonic to be one of the most corrupt companies in the world; poison the Earth when disposed of; can't be extinguished by firemen; poison firemen; are based on criminally corrupt mining schemes like URANIUM ONE; Have over 61 toxic chemicals in them; come from an industry that spends billions on internet shills and trolls used to nay say all other forms of energy; are owned by corrupt U.S. Senators who are running a SAFETY COVER-UP about their dangers; Apple products with lithium ion batteries have been exploding and setting people on fire; over time the chemical dendrites inside each battery grow worse and increase the chances of explosion over time - LITHIUM ION BATTERIES BECOME MORE AND MORE LIKELY TO EXPLODE AS TIME GOES ON AND AS THEY AGE; "Bad Guys" have figured out to make them explode remotely; have their dangers hidden by CNN and MSM because pretty much only the DNC people profit from them; are the heart of Elon Musk's stock market scam; the Obama Administration promised Silicon Valley oligarchs the market monopoly on lithium ion batteries and the sabotage of fuel cells in exchange for campaign financing and search engine rigging; United States Senators that are supposed to protect us from these deadly products own the stock market assets of them so they protect them and stop the FDA, OSHA, DOT & NHTSA from outlawing them. WRITE YOUR ELECTED REPRESENTATIVE AND DEMAND THAT LITHIUM ION BATTERIES BE MADE ILLEGAL TO SELL!

Elon Musk exists because he bribed DNC politicians and Senators Feinstein, Reid, Boxer, Harris, Clinton and Pelosi to give him free taxpayer cash and government resources from the Dept. of Energy and the Calif treasury. DOE has been covering-up organized crime activities at DOE in which DOE funds are being used as a slush-fund to pay off DNC campaign financiers and to pay for CIA/GPS Fusion-

Class attacks on Silicon Valley business competitors of those DNC campaign financiers who DOE staff share stock market holdings with. Elon Musk is a criminal, a mobster, an asshole, a bald fake-hair wearing, plastic surgery-addicted, douchebag, woman abusing, sex addicted, tax evader. Musk exploits poor people and child slaves in the Congo and Afghanistan to mine his lithium and Cobalt. Musk spends billions per year to hire Russian trolls, fake blogger fan-boys and buy fake news self-aggrandizement articles about himself. Musk thinks he is the 'Jesus' of Silicon Valley. Fake News manipulator Google is run by Larry Page and Larry is Musk's investor and bromance butt buddy. Musk uses massive numbers of shell companies and trust funds to self-deal, evade the law and hide his bribes and stock market insider trading. A huge number of Tesla drivers have been killed and Musk covers it up. The DNC and the MSM refuse to allow any articles about Musk's crimes to be printed because they benefit from Musk's crimes. Musk has been professionally diagnosed as a 'psychotic narcissist.' In EVERY blog that you read that mentions 'Musk', at least 1/3 of the comments have been placed there by Musk's paid shills. Musk holds the record for getting sued for fraud by his investors, wives, former partners, employees, suppliers and co-founders. Elon Musk has gone out of his way to hire hundreds of ex-CIA staff and assign them to "dirty tricks teams" to attack his competitors and elected officials who Musk hates. Musk never founded his companies. Musk's "Starlink" satellites are domestic spy and political manipulation tools - never get your internet from one. He stole them in hostile ownership take-overs. The same kind of EMF radiation proven to cause cancer from cell phones exists in massive amounts in a Tesla. Musk can't fix a car or build a rocket and has almost no mechanical skills. Musk is a lying con artist and partners with Goldman Sachs to rig the stock market. Over 1000 witnesses can prove every one of those claims in any live televised Congressional hearing!

So you have a corrupt Senator and a narcissistic political billionaire. What could go wrong?

To halt public disclosure of the complaints by her California constituents Nancy, Melanie and her trolls have a "Dirty Tricks" squad.

Nancy and the DNC use character assassination as their main political tool against any member of the public who speaks out against their felony stock market scams and PizzaGate-like scandals.

The Harvey Weinstein reports by Ronan Farrow show that they have teams of hired goons that they pay to destroy people's lives. They use Black Cube, Mossad, In-Q-Tel, Stratfor, Gawker Media, Gizmodo Media, Media Matters, David Brock, Sid Blumenthal, NY Times, Google servers, Facebook servers, Podesta Group, Perkins Coie, Covington & Burling and a host of "assassins".

It should be a felony for elected representatives to hire character assassins in the USA and voters should DEMAND A LAW to jail them and DEMAND the termination of these attack services.

Nancy's attack squad has Gawker and Gizmodo Media set-up the attack stories and, in paid partnership with Google, and Facebook, Google and Facebook kick the attack links around the globe, in front of 8 Billion people, forever. Google and Facebook refuse to remove the defamation articles and links on orders from Pelosi and DNC executives.

Google and Facebook lock the attack articles of Nancy's enemies on the front top search results of Google search results forever,

on purpose! That is why Google and Facebook are now being terminated in the largest, most well resourced anti-corruption public service take-down in history!

Alternative news sites like <https://coup-usa.com>, <http://www.drudgereport.com>, and hundreds of thousands of others around the world, detail her process:

HOW DID THE CRIMINALS IN PUBLIC OFFICE OPERATE THEIR CRIMES?:

Here is one of the key processes under which these crimes were operated:

1. Senator gets bribe from Company X.

2. Senator's spouse or daughter buys covert stock in Company X and the suppliers of Company X via Goldman Sachs, et al.

2. Senator makes law or exclusive ruling to give Company X exclusive cash and taxpayer resources.

3. Company X makes "campaign contribution" to Senator as a follow-up bribe.

4. Company X has Goldman Sachs use free government cash to "pump-and-dump" Company X stocks which Senator, Governor, DOE and Obama staff covertly own. Senator, DOE execs and Obama execs make billions in windfall profits via Google's PR hype of the stock. (Of course, none of this is reported to the FEC and the SEC)

5. Senator and DOE staff black-list and sabotage Company X competitors from receiving the same benefits or competing with Company X.

6. As soon as the crooks get all of their skims, they bankrupt Company X and make even more profits off of the dead Company X by filing "Tax Loss" filings and take another windfall.

7. DOE, IG, FBI and DOJ refuse to investigate the crime and run cover-ups because some of their bosses own stock in Company X and the suppliers of Company X.

8. Wash, Rinse Repeat and they go out and do it all over again.
