

Obama used his  
White House to  
ruin American  
companies in  
order to benefit  
close friends'  
private  
investment firms  
and his Silicon  
Valley VC's

 Barack Obama speaks at  
Chicago's South Shore Cultural  
Center

*A new book said Obama and his administration  
would deem industries either destructive to the  
environment or exploitative for the financial and  
professional gain of his friends.*
