

# Pelosi, Feinstein & Newsom Killed California By Opening Borders In Exchange For Votes

Thu, 09 Mar 2023 11:35:08, swmof88, [post\_tag: feinstein-newsom-killed-california-by-opening-borders-in-exchange-for-votes, category: news, post\_tag: pelosi]

Pelosi, Feinstein & Newsom put hundreds of millions of dollars in their family bank accounts by letting half of South America just show up in California without any blood tests, crime reports, incest tests or disease verification. Now these "visitors" have no homes, engage in rapes and mass thefts and carry diseases that can wipe out whole regions. Pelosi, Feinstein & Newsom based their scheme on the idea that non-whites "won't vote republican".
