

THE DEEP STATE: EXPOSED!

WHICH MILLIONAIRES, SPECIFICALLY, ARE THE DEEP STATE ATTACKERS?

You have heard of "***The Deep State***" that runs all of these tens of millions of dollars of attacks on the Trump Administration but who are they and why do they always try to destroy the elected government? We hired some Ex-CIA and FBI agents to answer that question. This is what they found out.

1.) These people have a '***Dark Money***' bribery program underway in which they use fake charity organizations to conduit bribes and rigged government contracts back and forth to themselves.

2. These are the people (Mostly from New York and California) who are 'freaking out' because Trump is cutting off their corruption ("***Draining the swamp...***") and who are spending the most money and resources on Fusion GPS, Black Cube, Gawker/Gizmodo hit jobs and spying. These are not just people who disagree with Trump. They are actively meeting about, and spending tens of millions of dollars on espionage activities, riots and character assassinations in order to keep their payola schemes going.
