

GOOGLE CEO AND BOARD OF DIRECTORS ARE LYING PIECES OF CRAP

- They lied to their employees about sex extortion, sex slaves, domestic spying, political manipulation, their Mafia club and their true goals.
- They lie to the public about everything!
- They lied to Congress about what they really do, as revealed in the documentary: THE CREEPY LINE
- Over 1000 sex abuse and misogyny charges by employees and contractors covered up by Google executives
- India has a well documented "Rape-supportive culture" and Google allows Indian executives to promote a corporate "rape culture" within Google, YouTube, Alphabet and all of their holdings
- Pathetic politicians do nothing to regulate Google's off-the-charts corruption because Google has bribed most of Congress with sex, Dark Money, search engine rigging and campaign cash.
- Google executives die on their "sex yachts" in drug fueled orgies, sexually extort employees, own "sex penthouses", organize sex clubs and escort "discounts" and force young male staff into gay liaisons.

- Google executives have proven, beyond a shadow of a doubt, that they will lie, lie and lie again to keep their COVER-UPS going!
