

Reddit Moderators Identify Google Employee As Member Of Plot To Infiltrate and Ban Pro-Trump Subreddits

By **Patrick Howley**

Top Reddit moderators have identified a current Google employee as a suspected member of the left-wing plot to infiltrate pro-Trump subreddits. Many of the conspirators pose as Trump supporters, and post offensive content to get the subreddits shut down.

Top moderators have now identified more than 30 left-wingers including Google and CBS employees and activists linked to Media Matters and the ACLU as being involved in the plot. The CBS employee denies involvement. So far, "The Great Awakening" has been banned by Reddit, and numerous other pro-Trump subreddits have been
