

RIGGED: Stormy Daniels Lawyer Was on Payroll of Joe Biden, Rahm Emanuel; Previously Sued Trump & The Apprentice Reality Show (news)

submitted 14 hours ago by [Machz](#)

Porn star Stormy Daniels' lawyer Michael Avenetti it turns out, worked for Joe Biden and Rahm Emanuel, two Obama pals.

Small world.

Especially when you're trying to railroad and smear the President of the United States in return for cash and fame.

In fact Avenetti worked on the political campaigns of over 150 Democrats, including national campaigns; When he wasn't busy suing Donald Trump and The Apprentice producer Mark Barnett for alleged intellectual property infractions.

Could Avenetti have an anti-Trump grudge? Do the math.

Per the lawyer's biography:

"While in college and later in law school, Michael worked at a political opposition research and media firm run by Rahm Emanuel (who later became White House Chief of

Staff and is presently the Mayor of Chicago). During his time there, Michael worked on over 150 campaigns in 42 states, including multiple gubernatorial and congressional campaigns (i.e. Joe Biden's U.S. Senate Campaign)."

There's certainly a thin line between porn star and an ambulance-chasing lawyer.

Stormy Daniels is too ugly for Trump. Trump women typically start at 11. Stormy has exactly none of that.

It doesn't even make sense. The affair she's accusing of happening happened in 2006, 1 year after he married Melani. If you married someone 10x hotter and the marriage is practically brand new, that means the honeymoon phase probably isn't over yet.

So why go through all the trouble for something not even worth the effort or the risk.

I also can't help but notice that she's now the #1 ranked pornstar on porn-hub, despite being a worn out looking leather hand-bag.

No motivation for her to keep this thing in the media at aallll, right? /s

1. That doesn't preclude it from being real.
2. That doesn't preclude it from being more bullshit politics as usual.

Yeah. It's ok for you lawyer to be biased against the person you're suing. That's assumed.

[What was wrong was a lawyer parading their clients on TV and collecting money from it.](#) That's what happened with Lisa Bloom. These things are not equivalent.
