Tesla receives a failing grade from Better B...

Tesla just got a **failing** grade, and not from the many folks waiting for their Model 3 to come online. No, the Better Business Bureau gave the company an "F" for not resolving customer complaints, sometimes not even responding to complaints. According to a report in the Mercury News, the BBB received ...

New video shows **Tesla's** Autopilot **failing** at...

Late last month, a **Tesla** owner died when his Model X, with Autopilot engaged, followed a line on the road into a concrete divider and crashed. Earlier this week, a video from a **Tesla** owner in Chicago demonstrated how that might have happened using a similar intersection, and now another **Tesla** owner ...
