

THE HOLLYWOOD CHILD ABUSE INVESTIGATIONS HEAT UP

Pol discuss whether Steven Spielberg is part of an elite pedophile ring connected to pizza gate (news)

Is Steven Spielberg a pedophile?

Pol have multiple threads discussing just that.

Crispin Glover wrote a highly interesting essay which features Steven Spielberg.

It mentions that he collects paintings of boys during medical examinations in their underwear by Norman Rockwell. Is this the type of behaviour which should fall under the scrutiny of pizza gate researchers as they have placed other individuals?

What happened to twelve year old Heather O'Rourke? Pol have been speculating why Steven Spielberg wasn't named as the director of Poltergeist in favour of the director of Texas Chainsaw Massacre Tobe Hooper... Yet in 2017, The Independent ran an article which stated Spielberg was in fact the main director.

One youtube user has personally documented myopic paedophilic instances throughout the Spielberg works. I have included them below, it should be noted the second part involves Corey Feldman. Could it be that Weinstein and Feldman have been trying to save the skin of Spielberg?

Whoever runs The Fox King Pinterest page, tried to alert us several months ago with a photo of Steven Spielberg and child abuse allegations... <https://www.pinterest.co.uk/gbotkins/who-is-the-fox-king/>

You shouldn't need a Hollywood insider to tell you that Spielberg is a pedophile, you should realize that after watching any movie directed by him. (news)
