Sen. Kamala Harris (D-CA), in an appearance on *The Ellen Show* on Thursday, joked about killing President Trump, Vice President Mike Pence, or Attorney General Jeff Sessions.

Host Ellen DeGeneres asked Harris, “If you had to be stuck on an elevator with either President Trump, Mike Pence, or Jeff Sessions, who would it be?”

The California senator paused before answering the question.

“Does one of us have to come out alive?” she responded, cracking up at her own joke.

She did not answer the original question.
