

# San Francisco Is One Of The Most Corrupt Cities In The World

San Francisco Mayors, Area Senators and Supervisors exist off of bribes. Facebook, Google, Twitter, Tesla, Chevron, Wells Fargo, Real Estate developers and Chinese mobsters are the biggest payers of bribes. They pay in cash, hookers, buildings, stock warrants and election manipulation. San Francisco politicians pretend to be "green" but they only care about Green Cash. They pretend to be a "Sanctuary City" but all they care about is harboring criminals who they can use to puff up voter counts.

San Francisco cares about one thing: CASH!

If there is a second thing they care about it is:  
PRETENTIOUS LIFESTYLES

Chicago is corrupt because of the mafia and gangster culture it supports. San Francisco is corrupt because it has no moral compass except the arrow that points straight to hell. Greed and power rule all decisions in San Francisco politics.
