One of the tricks that the Obama/Biden DOJ will use to cover-up a corruption case is that they will file a NOTICE OF REMOVAL from San Francisco Superior Court to their federal court. As a Plaintiff you will find that this is done by DOJ Defendants in order to remove the case from a Republican Party Judge, and place it before a Democrat Party Judge in order to create Biden-controlled bias against you as a Plaintiff.

Most of those charged with crimes in these kinds of matters are Democrat Party public officials and their financier/beneficiaries, as proven by their financial records

This kind of DOJ legal manipulation is a violation of Plaintiff's rights and of the Constitution.

Much work has usually been undertaken in the San Francisco Superior Court and The Northern District Court Judges have shown bias, personal relationships and stock ownership which cause a conflict of interest in each matter.
