SACRAMENTO (CBS13) — “We have a whisper network you all know it. Because what everybody here knows is we have rapists here in this building. We have molesters among us,” said Christine Pelosi.

The head of the California Democratic Party’s Women’s Caucus says no one knows about those alleged abusers, because of a deficient system for reporting harassment.

“Isn’t that problematic,” said Vince Fong.

The problem, Assemblyman Vince Fong says, is the Capitol’s human resources department doesn’t record complaints of
