

FACEBOOK HAS BEEN CAUGHT HIDING MASSIVE AMOUNTS OF EVIDENCE ABOUT IT'S DATA ABUSE

British MPs accuse Facebook of hiding Cambridge Analytica evidence - Business Insider

'Facebook has been accused of concealing evidence about the Cambridge Analytica scandal from a powerful group of British parliamentarians. '

'In another, Milner was pressed on how Cambridge Analytica could have gathered Facebook data. '

'In one exchange, Bickert was asked whether she was aware of a breach like the one involving Cambridge Analytica. '

'The fact the Cambridge Analytica harvested the data of millions of Facebook users was not public knowledge until being exposed by journalists in March. '

'He added: "We are a parliamentary committee, and Facebook concealed evidence to us as an organisation on that day."
