

SILICON VALLEY'S DARK MONEY IS 'TREASON' AGAINST AMERICA AND AN ATTACK ON THE RIGHTS OF EACH DOMESTIC CITIZEN!

Silicon Valley Corporations funnel money to a Dark Money front group who, in turn, sends out character assassins AGAINST opponent of the corporation and FOR shill candidates like Harris, Pelosi, Feinstein, Breed, etc. who covertly work for the corporation. When the shill candidate gets elected, they support the agenda of the corporation and steer government funds to the corporation and against the corporations competitors.
