Three Top FBI Cybersecurity Officials to Leave FBI Under Suspicion

Departures come as U.S. faces threat of cyberattacks

By *Dustin Volz* and *Shelby Holliday*

Three of the top cybersecurity officials at the Federal Bureau of Investigation are retiring from government service, according to people familiar with the matter—departures that come as cyberattacks are a major concern for the country's security agencies.

Senior U.S. intelligence officials warn that the country is at a "critical point" facing READ MORE:
