

More Facebook Privacy Rape As Facebook Steals Your Banking Data

Facebook has asked large U.S. banks to share detailed financial information about customers as it seeks to boost user engagement

is trying to deepen user engagement after it said last month its growth is slowing, stunning investors. One tactic is to get banks to work closely with Facebook Messenger. PHOTO: JEFF CHIU/ASSOCIATED PRESS

[Facebook](#) Inc. [FB +4.34%](#) wants your financial data.

The social-media giant has asked large U.S. banks to share detailed financial information about their customers, including card transactions and checking-account balances, as part of an effort to offer new services to users.

Facebook increasingly wants to be a platform where people buy and sell goods and services, besides connecting with friends. The company over the past year asked [JPMorgan Chase](#) [JPM +0.00%](#) & Co., [Wells Fargo](#) [WFC +0.10%](#) &
